### **Advanced Ink & Chemical, Inc.**

*—New Company to Offer Premium Specialty Water Based Ink Products and Pressroom Supplies—*

Bensalem, PA (February 2008) — Advanced Ink & Chemical is pleased to announce that it has opened for business. Operating out of a state of the art manufacturing facility in Bensalem, PA; Advanced makes specialty printing products; pearlescent, matte, tactile, gloss coatings as well as fluorescent and security inks. Advanced manufactures all of its own products using media mills, large volume mixers and a stringent quality control process. Advanced Ink & Chemical represents over fifty years of experience in the manufacture and sales of printing inks and pressroom supplies.

In addition to premium specialty inks and coatings, Advanced Ink & Chemical also manufactures, pressroom cleaners, wash up solutions and various other chemicals.

### **About Advanced Ink & Chemical**

Advanced Ink & Chemical is a manufacturer of water based specialty inks coatings as well as a full line of chemicals and cleaners for the pressroom. By offering specialty products like tactile coatings, fluorescent and security flexographic inks and premium inkjet inks, Advanced is a true resource to our customers.
